

**LIGHT UP MIAMI**  
*Signature Skyline*  
**YEAR 2,000**

*About Our Membership!*

There are 40 permanently illuminated buildings in downtown Miami.

The illuminated skyline represents a remarkable contribution to this community.

Miami has become the best illuminated city in the US, and third in the world.

The Signature skyline of Miami at nighttime spearheads Miami into yet another front in the Global marketplace.

Miami can become the next city of lights, the best illuminated city in the world.

Miami's legacy for year 2,000 could be our unparalleled skyline at nighttime.

The following 40 buildings represent an invaluable asset to greater Miami because of their lights.
